

TICKER launches two new products

“Ticker Wealth” and “Ticker EOD”

Mutual fund participants & investors to benefit

New Delhi, 4th May 2018: Tickerplant Limited (Ticker), is pleased to announce the launch of a feature enriched mutual fund market back office cum investment, web based application, called “Ticker Wealth”. The new application covers almost all features required by Individual Financial Advisors (IFA), Mutual Fund Distributors, as well as investors. Besides, Ticker has also announced the launch of “Ticker EOD” which is aimed at helping students, researchers, investors to understand the market behavior and trends.

Ticker Wealth has many innovative features like AUM report, SIP report (including SIP - expired, Bounced, expiring etc.), client portfolio (summary and detailed report), transaction report and dividend report etc. “With this product we intend to help IFAs and others to manage their businesses more effectively. Unlocking of savings through mutual funds investment is important for further financial inclusion and prosperity”, said Mr Arindam Saha, Jt. CEO, Tickerplant. For brokerage calculation, the application will provide monthly brokerage report, upfront commission, trail commission, B30 and other brokerage incentive reports. All such reports will be displayed folio wise and scheme wise. For tracking portfolios and transactions web login facilities are provided for clients.

As an added benefit for distributors, hierarchy wise reports as well as region wise AUM reports are also made available. “I wish good luck for Ticker’s new venture into personal finance, and hope it bridges the information asymmetry for consumers”, said, Mr. N S Venkatesh, CEO, AMFI.

During the function in Delhi, Ticker has also launched “Ticker EOD”, a web-based product for students, researchers and investors among others as well, is designed with best in class innovations. The Ticker EOD is an enhanced customer friendly platform which provides the specific details of equity, derivatives, commodity, currency & fixed income markets.

The advanced digital library of 3000+ Indian listed companies has been compiled in one product to provide accurate information using fundamentals and studies, with inbuilt ratio analysis.

Eminent personalities from organizations like Association of Mutual Funds in India, All Mutual Fund Distributors Welfare Association, Vista Wealth Consultants, SMC Global Securities Ltd., Share India Securities Ltd., Taurus Asset Management Co. Ltd., Adain Services LLP, Citrus Advisors, Delhi Financial Distributors Association, Sundaram Mutual Fund, Essel Finance AMC, NSE NMF & BSE Star MF spoke during the program about various issues related to the industry.
